MEMORANDUM FOR: Deputy Director (Intelligence)  
Deputy Director (Plans)

VIA: Executive Director

The DCI requests that we review the evidence on Castro's Communist associations or affiliations during the period prior to 1958.

I believe a great deal of research has already been done on this and perhaps it will be sufficient simply to pull all the evidence together in a brief memorandum for the DCI.

He did mention that Mr. Hoover once told him that the Bureau had filed over a thousand reports to the effect that Castro is a Communist, but that evidently no one had paid any attention to them.
